

NEVER FORGET

TAKE THAT

Intro - We've come a long way, but were not too sure where we've been
We've had success, we've had good times, but remember this

Verse 1

Been, on this path of life for so long, feel I've walked a thousand miles
Sometimes strolled hand in hand with Love, everybody's been there
With danger on my mind I would stay on the line of hope, I knew I could make it
Once I knew the boundaries I looked into the clouds and saw
My face in the moonlight

Bridge - Just then I realised, what a fool I could be
Just cause I looked so high I don't have to see me
Finding a paradise wasn't easy but still
There's a road going down the other side of this hill

Chorus - Never, forget where your coming from.
Never, pretend that it's all real
Someday, this will all be someone else's dream.
This will be someone else's dream

Verse 2 - Saved, from the arms of disappointment for so long
Feel each day we've come too far
Yet each day seems to make much more. Sure is good to be here

Bridge 2 - I understand the meaning of I can't explain this feeling now
And it feels so unreal. At night I see the hand that reminds me
of the stand that I made. The fact of reality (**Chorus**)

Middle 8

We've come so far, and we've reached so high
And we've looked each day and night in the eye
And were still so young, and we hope for more, but remember this
We're not invincible, we're not invincible (we're not invincible)
We're only people (oooo) we're only people (we're not invincible)
Hey we're not invincible, (we're not invincible) We're not invincible **Chorus x 5**
