

MAN IN THE MIRROR

MICHAEL JACKSON

Verse 1

I'm gonna make a change, for once in my life
It's gonna feel real good, gonna make a difference, gonna make it right
As I, turn up the collar on, my favourite winter coat, this wind is blowing my mind,
I see the kids, on the street, with not enough to eat
Who am I, to be blind? Pretending not to see their needs

A summers disregard, a broken bottle top, and a one man's soul
They follow each other on the wind you know
Cause they got nowhere to go, that's why I want you to know

Chorus 1

I'm starting with the man in the mirror. I'm asking him to change his ways
And no message could have been any clearer, If you wanna make the world, a better place
Take a look at yourself, and then make a change
Na na na, Na na na, na na na na na

Verse 2

I've been a victim of, a selfish kind of love. It's time that I realize
That there are some with no home, not a nickel to own
Could it be, really me, pretending that there not alone
A willow deeply scarred, somebody's broken heart
And a washed-out dream (washed-out dream)
They follow the pattern of the wind, ya' see
Cause they got no place to be. That's why i'm starting with me

Chorus x 2

I'm starting with the man in the mirror. I'm asking him to change his ways
And no message could have been any clearer If you wanna make the world, a better place,
Take a look at yourself, and then make a change
You gotta get it right, while you got the time,
Cause when you close your heart, that's when you close your, your mind,

Chorus

Na na na, Na na na, na na na na na x2

Change, yeah! Make that change, Man in the mirror,
Yeah! Make that change, Man in the mirror, Change
