

**SHINE**

TAKE THAT

## **Verse 1**

You, you such a big star to me, your everything I wanna be  
But your stuck in a hole, and I want you to get out  
I don't know what there is to see, but I know it's time for you to leave  
We're all just pushing along, trying to figure it

## **Bridge 1**

Out, out out, your anticipation pulls you down  
When you can have it all, you can have it all

## **Chorus 1**

So come on, so come on, get it on, don't know what your waiting for  
Your time is coming, don't be late, hey hey  
So come on, see the light, on your face, let it shine just let it  
Shine. Let it Shine.

## **Verse 2**

Stop, being so hard on yourself, it's not good for your health  
I know that you can change, so clear your head and come round  
You only have to open your eyes, you might just get a big surprise  
And it may feel good, and you might want to

## **Bridge 2**

Smile smile smile, don't you let your demons pull you down  
Cause you can have it all, you can have it all

## **Repeat Chorus 1**

## **Middle 8**

Hey, let me know ya, your all that matters to me  
Hey, let me show ya, your all that matters to me

## **Repeat Chorus 1 / Middle 8 x 2**
