

ROLLING IN THE DEEP

ADELE

Verse 1

There's a fire starting in my heart. Reaching a fever pitch, it's bringing me out the dark
Finally I can see you crystal clear. Go 'head and sell me out and I'll lay your ship bare
See how I leave with every piece of you. Don't underestimate the things that I will do
There's a fire starting in my heart. Reaching a fever pitch and it's bringing me out the dark

Bridge 1

The scars of your love remind me of us, they keep me thinking that we almost had it all
The scars of your love, they leave me breathless, i can't help feeling

Chorus 1

We could have had it all (You're gonna wish you never had met me)
Rolling in the deep (Tears are gonna fall, rolling in the deep)
You had my heart inside of your hand (You're gonna wish you never had met me)
And you played it, to the beat (Tears are gonna fall, rolling in the deep)

Verse 2

Baby, I have no story to be told.
But I've heard one on you, and I'm gonna make your head burn
Think of me in the depths of your despair.
Make a home down there, as mine sure won't be shared

Bridge2

(You're gonna wish you never had met me) The scars of your love remind me of us
(Tears are gonna fall, rolling in the deep) They keep me thinking that we almost had it all
(You're gonna wish you never had met me) The scars of your love, they leave me breathless
(Tears are gonna fall, rolling in the deep) I can't help feeling **Repeat Chorus 1 (twice)**

Middle 8

Throw your soul through every open door (woah)
Count your blessings to find what you look for (woah)
Turn my sorrow into treasured gold (woah)
You'll pay me back in kind and reap just what you sow (woah)
(You're gonna wish you never had met me)
We could have had it all (Tears are gonna fall, rolling in the deep)
We could have had it all (You're gonna wish you never had met me)
It all, it all, it all (Tears are gonna fall, rolling in the deep) **Repeat Chorus 1 (twice)**

But you played it. You played it. You played it. You played it to the beat.
