

DEFYING GRAVITY

WICKED

Verse 1 –

Something has changed within me. Something is not the same
I'm through with playing by, the rules of someone else's game
Too late for second-guessing. Too late to go back to sleep
It's time to trust my instincts. Close my eyes and leap

Chorus 1 –

It's time to try, defying gravity
I think I'll try, defying gravity
Kiss me goodbye, defying gravity
And you won't bring me down

Verse 2 –

I'm through accepting limits. 'Cause someone says they're so
Some things I cannot change. But 'till I try, I'll never know
Too long I've been afraid of. Losing love I guess I've lost
Well, if that's love. It comes at much too high a cost

Chorus 2 -

I'd sooner buy, defying gravity
Kiss me goodbye, defying gravity
I think I'll try, defying gravity
And you won't bring me down

Chorus 3 -

I'd sooner buy, defying gravity
Kiss me goodbye, defying gravity
I think I'll try, defying gravity
And you won't bring me down
